8th IWA International Conference on Ecotechnologies for Wastewater Treatment

İstanbul, Türkiye

28 June - 02 July 2027

We will be delighted to welcome you to the 8th IWA International Conference on eco-Technologies for Wastewater Treatment (ecoSTP 2027) to be held from 28th of June to 2nd of July 2027 in İstanbul, Türkiye. The conference will take place at the main campus of Istanbul Technical University, Ayazaga.

8th IWA EcoSTP 2027 will present a platform for highlighting the technological innovations for the water market by bringing together researchers, water industry professionals and water authorities, and thus, it will create the necessary atmosphere for the fruitful discussions on:

- ***Urban and Industrial Wastewater Treatment Technologies and Processes***
- ***Water Resource Management and Circularity***
- ***Environmental, Digital, Social and Governance Frameworks***

In addition to the high level of scientific atmosphere at the 8th IWA EcoSTP 2027, we invite you to discover İstanbul, which is a vibrant meeting point of history, culture and global accessibility.

Please find more on the web page about the 8th IWA EcoSTP 2027 conference.
