

IWA Particle Separation Specialist Group Conference 2026

2026

June

21
sun

24
wed

Plenary Lectures

Important Date

November
30 2025
sun

Abstract
submission deadline

Element Zero

Ludovic (Iudo) Dumee

3D Printing Nanoporous and
Responsive Separation
Materials at Scale and
Continuously

C-Biotech

Ingmar Nopens

A status quo after a
decade of digitalisation
in particle separation

McGill University

Nathalie Tufenkji

Targeting microplastics and
nanoplastics in treated
waters

Venue **Hokkaido University** Conference Hall

Nishi 5 chome, 8-1, Kita 8 jo, Kita Ward, Sapporo, Hokkaido 060-0808
